Living We Through Simple Practices

Rev. Chris Singer

“Carry each other’s burdens, and in this way, you will fulfill the law of Christ.” (Galatians 6:2)

Now, living We is not complicated.

Paul doesn’t give us strategies. He gives us practices.

They’re simple, shared, human. They say the name of Jesus out loud. Not as an argument, just as truth.

To pray with someone else. Not perfectly.
Just being present. To tell your story.
Not impressively. Just honestly.

None of these things are advanced skills.
Their shared practices of a living body.

We doesn’t ask you to disappear.
It invites you to lean in.
To ask a better question.

“How has God already wired me to be a part of We?”

The world doesn’t need more experts. It needs a church willing to show up together.

Willing to live We.

Prayer

Lord, give us courage for small, faithful steps. Help us speak Your name. Pray with one another and share our stories. Use our ordinary faithfulness for Your extraordinary work. Amen.
