Are there any special diets, allergies, medications or restrictions of activities that we need to be aware of?

Any other issues we should be aware of? _____

We realize that while participating in this event, alcohol consumption, smoking, chewing of tobacco and inappropriate behavior are not allowed. If violated, the youth will call his/her parents and the parents will come to the activity and take the child home.

As parent/guardian, I give permission for my child to participate in this event. I also give permission for my child to ride on the designated transportation to and from each location. I authorize any medical treatment that may be necessary under the circumstances that I cannot be reached. I furthermore release Long Lake Lutheran of any liability in these circumstances.
